NOTE

Subject - Mr M Shama Rao's salary as officiating Inspector General of Education

******

There appears to be some hitch in regard to the salary payable to Mr M Shama Rao, officiating Inspector General of Education When appointing him, the Government thought that he would be entitled to Rs 700+240 = 940 But the audit office states that on the authority of Government Order No 6027-99/G M 12-06-50 dated 2nd April 1907, Mr M Shama Rao would be entitled to Rs 840 as shown below -

Substantive pay as Senior Assistant Commissioner	- Rs 600
Officiating allowance as Inspector General of Education	- " 240
	Rs 840/-

2 The interpretation of the audit office is perhaps technically correct But it has to be borne in mind that the bifurcation of Mr Shama Rao's pay of Rs 700 into pay Rs 600 and personal allowance Rs 100 made in the Government Order of April 1907 was a mere formal or technical matter intended to meet the exigencies of grouping officers under the several grades constituted under the said Government Order Practically, Rs 700 is the substantive pay of Mr Shama Rao, over and above which the acting allowances of the higher office should accrue In any case, the effect of the Comptroller's interpretation is manifestly hard on Mr Shama Rao

3 Mr Shama Rao has been continuously officiating as Deputy Commissioner for over a year since April 1911 So that if (instead of officiating) he had been appointed pukka Deputy Commissioner, he would be drawing Rs 800 from April 1912, all the more so because he succeeded Deputy Commissioner Mr Doraswami Iyer when the latter first succeeded Mr Sparkes on leave and then after a short interval on leave became officiating Revenue Commissioner in February 1912 He has been drawing Rs 700 for over 4½ years Moreover, the office of Inspector General of Education is substantially vacant In these circumstances, it seems to me that, if not under the letter of existing rules, yet, by special order of Government, his salary may be fixed at Rs 700+240=940 from the date on which he took charge of the Education Department He wishes to have a lien on the post of Deputy Commissioner of a District This may be understood to be the case (Article 60 of the Regulations may be read as supporting this view)

Substantive pay shd be taken as 700 Rs not 600 Rs, as I am doubtful of the correctness of the F.Os of 1907 Anyhow the intention of Govt was to give him 700 Rs + 240 Rs; and this may be sanctioned expressly

Mr M Shama Rao's salary as

CIRCULATED TO COUNCILLORS

Second Councillor

Submitted to His Highness

These papers relate to the question of the salary to be allowed to Mr M Shama Rao M A , Officiating Inspector General of Education

2 When Mr Shama Rao was appointed to the place, it was thought that he would be entitled to a salary of Rs 700 + an acting allowance of Rs 240 or Rs 940 - vide D O correspondence put up herewith But the audit office have stated that he would be entitled to his substantive pay which is taken as Rs 600 plus acting allowance on Rs 1,200, i e Rs 240, or Rs 840

Flag E

Paper forming Enclosure to B

3 For the reasons given in my note dated 9th July, it is proposed to fix Mr Shama Rao's salary at Rs 700 +240, from the date he took charge of the Education Department

Pages 1 + 2 of Notes

4 Both the Councillors agree to Mr Shama Rao's salary being fixed at Rs 700 + 240, or 940

" 3 to 6

5 In view of the above discussions, the papers were forwarded to the Financial Department for the opinion of the Financial Secretary as to whether His

Page 6 of Notes

His Highness' orders will be required to fix Mr Shama Rao's salary at Rs 940

6 For the reasons given in his note dated 20th July, the Financial Secretary is of opinion that it is desirable to ascertain His Highness' pleasure again The difficulty, which is purely technical, is in regard to the substantive pay Mr Chakravarti observes that although Mr Shama Rao was drawing Rs 700 as Registrar of Co-operative Societies, the period for which this appointment was sanctioned expires on 31st August 1912 so that Mr Shama Rao's substantive pay should be taken at Rs 600, his pay as Senior Assistant Commissioner As a matter of fact he has been drawing Rs 700 for over 4½ years and he would have drawn this if he was continued as Registrar of Co-operative Societies Order may well be given accordingly

7 Furthermmare, as circumstances have altered in some respects since the date of Mr Campbell's D O (9th June 1912), I would respectfully venture to solicit a consideration of the proposal submitted in my note dated 20th May 1912, that if His Highness has no objection, Mr Shama Rao may start on Rs 1,000

8 Mr Shama Rao has also wished to have a

a lien on the post of Deputy Commissioner of a District

This may be understood to be the case

Mr.Rangaswamy Iyengar, I have practically held the vacancy of a permanent Deputy Commissioner and in your kind D O to me also, you have been pleased to assure me that my place among the Deputy Commissioners will remain undisturbed In these circumstances, I respectfully request that suitable orders may be issued to the Comptroller, as I can not draw pay at the rate of Rs. 600 mentioned by him I also request that orders may be issued to keep my name as at present amorg the Deputy Commissioners

Regarding the house-rent of Rs 100, I leave it to your generosity and content myself by merely saying that it was allowed both to Mr.Bhabha and to Mr Weir,

I also take this opportunity of bringing to your kind notice that if I am confirmed as Deputy Commissioner, I shall be able to draw my pay at the rate of Rs 800 from the 1st instant as I shall have held the permanent vacancy for a year from 1st July 1911 The audit objections often transcend the grasp of lay minds like myself and a solution in the direction I have indicated, will give us all peace of mind and save Government from personal requests on the

part of their Officers, which must be equally unpleasant both to the Government as well as to the officers concerned.

I am directed to return the papers which accompanied your D O No 343 dated 11th May 1912 and to say that His Highness approves of the appointment of Mr Ashama Rao as acting Inspector General of Education This appointment is, I am to explain, made as a temporary measure to relieve the First Councillor of the administrative work of the educational Department

The Durbar's original offer of the appointment to Mr J H Stone must still hold good until the same has been definitely refused, as it probably will be The Residency may be asked to obtain an early decision from Mr Stone as the latter would not, apparently in any case join the appointment until October next it is absolutely necessary to create a temporary officiating appointment I am to ask that this point may be explained to the Residency

Order

Submitted to His Highness

In the matter of selecting a local officer for the post of Inspector General of Education I submit herewith the two letters enclosed received from the First and Second Councillors respectively, giving their views on the subject

2 Opinion is thus practically unanimous in favour of Mr M Shama Rao M A being selected and appointed Inspector General of Education on Rs 800-100-1200 per mensem I agree in this opinion, and I beg to be favoured with His Highness' orders in the matter. If His Highnes has no objection, Mr. Shama Rao may start on Rs.1,000

3. It will be observed that both Councillors speak highly of Mr Balasundaram Iyer, but the post is considered premature for him

4 I know Mr. C Krishna Rao and quite agree with all that the First Councillor says of him He is a very successful educationist, he is a much read man and what is more valuable to us he has practical ideas, and we ought to be able to utilize his services in some useful way in the department as a whole I don't see why he

My dear Sir

I saw you do after all
his land addressed to the 1st C.V. in re
the selection of a local officer to the post-
of Dy of Education and I also, his answer
to me. saw

My selection at once falls on
Mr. M. Shamanna Rao M.A. who is in my
opinion the best of the three mentioned

as you do he possesses the highest
educational qualifications and
has himself an educational Officer
at the early part of his career & thus
he has gained considerable experience
as an administrative Officer having
worked in the Secretariat and as
Registrar of Cooperative Societies
and more as by combining with his
practical capabilities and varied
experience, I am sure, he will be
able to administer the Dept. to the

best advantage.

next to them I would
place Mr. Wadsworth as he
is highly intelligent and will enter
make a successful officer wherever
he is placed. The only [illegible] which I
think is unfavorable to him - and
for which he is not responsible
is his being too young for so important
at the head of an administrative
he has shown ability I would like
send him to the Education Dept.

However completing the formalities may be I shall [illegible]

As regards W C [illegible] I am sorry I am unable to offer an opinion as I personally know so little of him. A reference to the civil list shows that he is in his 50th year and that there are a number of officers in the grades of Rs 1000 and Rs 700 who are probably as well qualified if not better.

I am grateful to be spared from the Rs 1 Education [illegible]

the administrative control over the two 1st grade colleges by which the administration of the colleges would in the least suffer. On the other hand the Govt will have more time to devote their attention to primary and high school ~~Educ~~ education

I am sending him.

Bangalore

My dear Sir

The three names mentioned in your d o 343 d 11 5 12 are all good ones Taking the interests of the Department first and Consideration I think that Mr C Krishna Rao would make the best Inspector General Hrs accordance with the character

is thorough and up to date and he has energy and enthusiasm. His age which is 54 makes it easy for Government to make other arrangements if consi-dered desirable after 2 or 3 years and it is not unlikely that it will also serve to allay any discontent in the department caused by his pro-motion. His work as Secre-tary of the Education Committee has given him a good grip of the needs of the department & of the direction in which the pro-

Dept of Education. Should proceed

Mr Shama Rao's qualifi-
cations are the previous experience
department which though
somewhat old can still be of
considerable use his scholarship
in Kannada and English and
his continued interest in literary
work

Mr. Balasundram Iyer though
not with any experience in
the department is likely to
bring his keen intelligence and
zeal into the work and may

also do well after a time

The salary may be fixed at 800-100-1200 Rs as you propose. The question of ~~fact~~ placing the two Colleges in direct Communication with Government may be considered later on I think the two principals may be allowed to express their wishes about it If it becomes necessary, I do not think that there will be any disadvantage in adopting this Course

I have given the names in

their order of preference

I have shown this letter to the 2nd Councillor along with yours

With respectful regard

I am

Yours Sincerely

H Mangundayya

Note I kept these papers with me as I was told that you would return here soon, and was afraid that the letter might not reach you in Bobbarumund After

reading the 2nd Councillors letter
I realise that Mr Krishna Rao
may be considered too much
a junior in official rank for
the place, and indeed I had ven-
tured to advocate his appoint-
ment only on the ground of securing
the best advantage of the depart-
ment Unless however Govern-
ment is prepared to take this
step for this purpose at the risk
of creating some dissatisfaction
and upsetting calculations based

on course of ordinary official pro
cedure, Mr. Shama Rau may
be appointed Inspector General
on the terms proposed by you
as he is the most eligible can
didate as stated by the 2nd
Councillor
